- Marko Julio Tuiran Doria
- Height: 1,82 cm
- Weight: 77 kg
- Attitudes and abilities: Marko Tuiran, a skilled player with great commitment to his work. Discipline and consistency are the qualities that stand out in this excellent goalkeeper. His strong performances have earned him a great reputation in the region, known for his exceptional skill and reflexes. On the field, he is known for his leadership and teamwork—competitive until the last minute of the game, encouraging and true to his style. He does not falter in the face of adversity and knows how to respect his opponents both in victory and in defeat.
