PLAYER PROFILE

Dynamic, physical, and tactically intelligent midfielder with strong defensive capabilities and versatility across multiple positions. Excellent at recovering the ball, maintaining balance in midfield, and contributing to build-up play. Adaptable, disciplined, and able to perform at high intensity for 90 minutes. Experience in professional environments across Africa and international youth competition.

PLAYING STYLE & STRENGTHS

- Strong ball recovery and interception ability
- Excellent positioning and reading of the game

- High work rate, strength, and stamina
- Confident passing under pressure (short and long range)
- Supports transitions and builds play from deep
- Effective 1v1 defender and reliable in duels
- Versatile: performs well as pivot and left back
- Quick adaptation to new systems and coaching styles
- Team-oriented mindset and leadership qualities

FOOTBALL EXPERIENCE

2023–2024 | Second Division – Equatorial Guinea
Starter in midfield and defensive pivot, key role in recovery, transitions, and ball circulation.

2021–2023 | First Division – Equatorial Guinea
Played in the top domestic league, gaining strong tactical and technical experience.
